LABOUR SECRETARIAT

NOTIFICATION

No: LD 74 KABANI 2018, Bengaluru, Dated: 28-06-2019

Whereas for rapid industrialization of the State and to improve Ease of Doing Business in the state, the Government of Karnataka has considered it necessary to introduce a provision for Self Certification and Third Party Inspection and Certification for installed Boilers during use in the State, by Boiler Operation Engineer with certain qualifications and experience, as recommended in the Department of Industrial Policy and Promotion, Business Reform Action Plan, 2019 and in supersession of the earlier notification No: LD 45 KABANI 2014, Dated 15-04-2017.

The draft of the following scheme which the Government of Karnataka proposes to make, in exercise of the power conferred by sub section (3) of the section 34 hereby intends to exempt from provisions of sub sections (3),(4),(5) and (6) of section 8 subject to condition herewith after appearing of the Boilers Act, 1923 (Central Act No.5 of 1923) in hereby publish as required by sub section (1) of section 31 of the said Act, for the information of all the persons likely to be affected thereby and notice is hereby given that the said draft will be taken into consideration after thirty days from the date of its publication in the Official Gazette.

Any Objections or suggestion which may be received by the State Government from any person with respect to the said draft before the expiry of the period specified above, will be considered by the State Government. Objections or suggestion may be addressed to the Secretary to Government, Department of Labour, 4th Floor, Vikasa Soudha, Bengaluru-560001.

SCHEME

- 1. Title and Commencement:- (1) This scheme may be called the Karnataka Self Certification and Third Party inspection Scheme of Boilers, 2019.
 - (2) They shall come into force from the date of their final publication in the Official Gazette.
- 2. Scheme:- Subject to the following conditions the Government of Karnataka in exercise of powers conferred by sub section (3) of the section 34 hereby exempts the Boilers from the application of the provisions of sub sections (3),(4),(5) and (6) of section 8 of the Boilers Act, 1923 (Central Act No.5 of 1923) namely:-
 - When a certificate for use of the installed boilers and connected Boiler Component are to be renewed, the owner of boiler may engage a Boiler Operation Engineer (BOE) qualified under the Boiler Operation Engineers Rules, 2011 with the qualification and experience mentioned below, atleast Fifteen days before expiry of certificate, to carry out the inspection and certification of boilers and connected Boiler Component for renewal thereof for such period as may be prescribed by Regulations.

Note: For the above purpose, the Boiler Operation Engineers Rules, 2011 shall possess the following qualifications and experience namely:-

- a. must be a Graduate in Mechanical / Production / Power Plant / Metallurgical engineering from an university established by law:
- b. must have a minimum Five years of experience in operation/ maintenance / inspection of boilers after certification as Boiler Operation Engineer under the Boiler Operation Engineer Rules, 2011; and
- Other state Boiler Operation Engineer certification shall be endorsed by the state of Karnataka as per the prevailing Boiler
 Operation Engineer Rules, 2011 and should not be more than sixty years of age and shall be physically sound;
- (2) After engaging the Boiler Operation Engineer, the owner of boiler shall inform the Director of Boilers along with the Original Qualification Certificate of the Boiler Operation Engineer engaged, along with the e-payment challan of the prescribed renewal fee for inspection of Boilers as prescribed under Regulation 385A of the Indian Boiler Regulations, 1950 as per application format prescribed in Annexure-IV to this notification fifteen days prior to the proposed inspection date.
- (3) The Director of Boilers shall scrutinize the application within three working days from the date of filing of application and inform his concurrence to the applicant and also forward the same to the concerned jurisdictional officer of the department for information.
- (4) On receipt of an application, the Boiler Operation Engineer with the require qualification and experience indicated above shall inspect the boilers and connected Boiler Component within fifteen days from the date of such receipt as prescribed under the Boilers Act, 1923 and in such manner as prescribed under the Indian Boiler Regulations, 1950.
- (5) After the completion of inspection, the Boiler Operation Engineer shall record his report of inspection as per format prescribed in Annexure-II to this notification and if he is –
 - a) satisfied that the Boilers and connected Boiler Component is in good condition he shall issue a certificate as per format prescribed in Annexure-I for the maximum working pressure allowed in previous certificate for such period as may be prescribed by regulations.
 - b) of the opinion that the Boilers and connected Boiler Component does not conform to the standards prescribed by regulations refuse to issue such certificate and shall issue a notice as per format prescribed in Annexure-III that the boiler is not fit for use further with the reasons recorded in writing,

Provided that, the Boiler Operation Engineer shall within forty eight hours of making the inspection inform the owner of the Boiler / Boiler Component any defect in his opinion and repairs to be carried out and shall forthwith report the case to the Director of Boilers

Provided that the owner of the Boiler shall obtain the inspection report as per Annexure-II and certificate as per Annexure-I or notice as per Annexure-III as the case may be on or before the expiry date of the previous certificate.

- (6) The Owner of Boiler shall submit the Inspection report and Certificate for the use of Boiler as specified in Annexure-I or notice of Boiler not fit for use as per Annexure-III along with proposed repairs, to the Director of Boilers within seven days from the date of inspection.
- (7) In case of repairs, the owner of boiler shall follow the requirements of section 4F of the Boilers Act, 1923 and regulations 392 and 392A of the Indian Boiler Regulations, 1950 and rules framed there under.
- (8) In order to consider the ageing effect on Boilers, Boiler Operation Engineer shall follow Regulation 391 A of Indian Boiler Regulations, 1950 while making the report of inspection as per Annexure-II and while issuing certificate as per Annexure-I. If any change in working pressure of boiler is required under the provisions of the Indian Boiler Regulations, 1950, then the Certificate for the use of the Boiler shall be submitted for counter signature to the Director of Boilers for further validity.
- (9) If any accident occurs to the Boiler or connected Boiler component, the owner or person in charge of the boiler shall report the same in writing to the jurisdictional Boiler Inspector within 24 hours of such accident as per the provisions of the Boilers Act, 1923.
- (10) It will be the responsibility of the Owner of the Boiler to operate and maintain the Boiler as per provisions of the Boilers Act, 1923, rules and regulations framed under the Act. Owner shall also be responsible for any violation of the provisions of the prevailing Act, rules and regulations and liable for punishment as per the provisions of the Boilers Act, 1923.
- (11) The Boiler Operation Engineer shall follow the provisions of the Boilers Act, 1923, rules and regulations framed thereunder for inspection and certification of installed boilers. He shall be responsible for any act of omission committed against the provision of said Act, Rules and Regulations and liable for punishment as per the provisions of the Boilers Act, 1923 and also liable for inquiry and cancellation of his certificate of proficiency.
- (12) This notification shall be applicable to such boilers having the safe guard system for protection against over pressure, low water level, flame failure etc for prevention of accidents as per the provisions of the Boilers Act, 1923, Rules and Regulations framed there under
- (13) This Third Party Inspection and Certification of installed boilers and boiler component is optional for owner of a Boiler. The Boiler owner can apply either to Karnataka Government Boiler Directorate or Boiler Operation Engineer as per this notification or to a competent person as per Indian Boiler Regulations, 1950 for inspection and certification of installed boilers.

PR-308 SC-50 By Order and in the name of the Governor of Karnataka

A.N. RADHAMANI

Under Secretary to Government Labour Department. (Factories and Boilers)

LABOUR SECRETARIAT NOTIFICATION

No: LD 127 LET 2018, Bengaluru, Dated: 15/07/2019.

Whereas the draft of the Karnataka Maternity Benefit (Amendment) Rules, 2018, was published in Notification No: LD 127 LET 2018, Dated 21.07.2018 in part – IVA No.5136 of the Karnataka Gazette extraordinary dated 30th August 2018 inviting objections and suggestions from all persons likely to be affected within thrity days from the date of publication in the Official Gazette.

And whereas the said Gazette was made available to the public on 30.08.2018.

And whereas objection and suggestions, have been received in this behalf, were considered by the State Government.

Now, therefore, in exercise of the powers conferred by section 28 of the Maternity Benefit Act, 1961 (Central Act 53 of 1961), the Government of Karnataka hereby makes the following Rules, namely:-

CHAPTER-I

- 1. Title and Commencement:- (1) These rules may be called the Karnataka Maternity Benefit (Amendment) Rules-2019.
- (2) They shall come into force on the date of their publication in the Official Gazette.
- 2. Insertion of new Rule 6A.- In the Karnataka Maternity Benefit Rules, 1966, after Rule-6, the following shall be inserted, namely:-

6(A): Creche: Every establishment to which section 11A of the Act applies, the employer shall provide and maintain a crèche for the use of children who are below the age of six years according to the standards laid down in these Rules. There shall be one creche for every thirty children, who are the below the age of six years. The crèche shall be provided to children of all employees irrespective of

the type are nature of employment, such has permanent, temporary, regular, daily wage, contract, etc. in accordance with the following standards, namely:-

- (1) **Location:** A crèche shall be located within the premises of the establishment or with in five hundred (500) metres from the entrance gate of the establishment. While the creche shall be conveniently accessible to the mothers or parents of the children accommodated in work place therein, it shall not be situated in close proximity to establishment where obnoxious fumes, dust or odors are given off or in which excessively noisy processes are carried on. Careful consideration shall be given by the employer, while deciding on the location of the crèche. The expert advice from the State or National support agencies shall be availed as part of the decision making process by the employer.
- (2) **Building and Facilities**: (i) The creche building shall be constructed out of heat resisting materials and shall be safe from rain and waterproof. The requirement under planning, building control, fire safety, and health and safety legislation as well as requirement under all the relevant legislation shall be complied by the employer. The overall ecosystem of the crèche shall be clean, safe, secure and child friendly.
- (ii) While in towns the crèche shall be built out of brick wall with cement or lime plaster, in rural areas it may be built of mud wall with mud plaster. In either case, the flooring and the walls upto a height of 5 ft shall have decent cement surface and well painted.
- (iii) The height of the rooms shall not be less than 9 ft from the floor to the lowest part of the roof.
- (iv) The rooms shall be provided with necessary doors and windows for securing and maintaining adequate light and ventilation by free flow of air. The crèche shall be provided with sufficient and suitable natural or artificial lighting connected with emergency power backup by the employer.
- (v) The building shall be periodically inspected in order to see that it is safe and is being maintained under sanitary conditions, with decent decoration.
- (vi) The creche shall be kept open at all times both by day and night, when mother or parents has employees are working, as per statutory norms.
- (vii) There shall be a kitchen attached to the crèche with utensils and other facilities for boiling milk and preparing refreshments., etc. or alternatively hygienically prepared food/beverages shall be made available by the employer to the children. Safe and Potable drinking water at all times shall be provided through a dedicated water purifier.
- (viii) The children as well as the staff of the crèche shall be provided with suitable uniforms to wear at the crèche.
- (ix) There shall be a suitable washroom adjoining the crèche with separate space for washing drying of soiled cloths or linen, as well as for the washing of the children and changing their clothes. Wash-basins or similar vessels shall also be provided at the rate of one for every fifteen children. There shall be arrangements for supply of water at the rate of at least 5 gallons per child per day. Adequate supply of clean towels and soap shall be available at the crèche.
- (x) Adjoining the bathroom there shall be a latrine for the exclusive use of the children in the crèche. The number of seats in the latrine shall be at the rate of one for every 20 children. Separate latrines shall be maintained for the use of mothers and crèche staff at a closer distance of the crèche.
- (xi) There shall not be less than five(5) sq.ft. of floor area for each child to be accommodated in a crèche.
- (xii) A suitably fenced and shady open air playground shall be provided for the children.
- (xiii) The employer shall ensure that crèche shall have bright, cheerful and child accessible displays of essential play and teaching-learning material, daily schedule, child safety and essential norms.
- (xiv) The following equipments shall be provided by the employer in the crèche, namely; -
 - (a) Cradles or cots.
 - (b) Beds or mattresses.
 - (c) Cotton sheets.
 - (d) Utensils to feed the children
 - Sitting accommodation or furniture for use of mother for feeding and parents for attending to child.
 - (f) Rubber sheets (for children below three years)
 - (g) Blankets
 - (h) Pillow with covers.
 - (i) Toys or play materials
 - (j) Child friendly furniture
 - (k) Medicine kit
 - (I) First aid kit.
- (xv) There shall be no unsafe places like open drains or pits or any dangers near the crèche.

(xvi) The employer shall adhere to the standards and norms fixed by Central and State Governments or their official agencies for crèche, such as the National Minimum Guidelines for setting up and running crèche published under the Act by the Ministry of Women and Child Development, Government of India.

- (3) **Staff:** A woman who has Government approved or recognized qualification and training in "Early Childhood Care and Education" (ECCE)" or "Teachers Course Higher(TCH)" or equivalent qualification shall work as crèche-in-charge to look after children during the absence of their mothers as teacher-cum-warden. Along with teacher-cum-warden a woman with midwifery qualification or training shall work as crèche attendant. Where the number of children exceeds ten, the crèche attendant shall be assisted by female ayahs and required personnel at the rate of one ayah-
 - (a) for every ten children upto three years of age; and
 - (b) for every fifteen children of over three years of age.
- (4) **Working Hours:** The working hours of the crèche shall correspond to the working hours of the mothers or parents of the children admitted in the crèche. The crèche shall have to work in two or more shifts if the women are employed in two or more shifts as per statutory norms, spread over a period not exceeding eight hours a day. Where the crèche works in shifts, different staff shall be employed to work in different shifts, depending upon the norms of working hours.
 - (5) Basic Medical Records: The creche shall maintain the following medical records, namely:-
 - (i) Every child shall be medically examined before admission to the crèche. There shall be medical check-up of the children once in two months and their Body-Mass Index(BMI) recorded once a month.
 - (ii) A record of the periodical medical check-up and weighment shall be entered in the record of medical examination of each child kept at the crèche.
- **6(B)** Supply of milk and refreshment: At least 250 ml of hygienic pure milk shall be made available for each child every day. The mother of such child shall be allowed in the course of the daily work, the minimum of four visits a day of sufficient time to the crèche and feed the child. The children above two years of age shall in addition be provided with an adequate supply of wholesome refreshment
- **6(C)** Supply of clothes, soap and oil: (1) The crèche staff shall be provided with suitable clean clothes for use while on duty in the crèche.
 - (2) An adequate supply of clean clothes, soap and oil shall be made available for each child while it is in the crèche.
- **6(D) Outdoor Play Facilities:** The employer shall ensure that the children have access to outdoor play space which is safe, secure, well-maintained, and exclusively available for the use of the children during operating hours. Where children use public playgrounds or parks, the employer shall take all reasonable steps to provide outdoor play facilities and ensure the safety and security of the children.

PR-309 SC-100 By Order and in the name of the Governor of Karnataka $\,$
